Re: Notification Regarding the Indirect Transfer of Control of Broadview Networks, Inc.

Dear Mr. Terrini:

Broadview Networks, Inc. ("Broadview Networks") hereby notifies the South Carolina Public Service Commission ("Commission") of a transaction through a "pre-packaged" Chapter 11 bankruptcy proceeding that will result in the indirect transfer of control of Broadview Networks.

Broadview Networks Holdings, Inc. and its subsidiaries, including the Broadview Networks, filed a voluntary petition ("Petition") on August 22, 2012 with the United States Bankruptcy Court for the Southern District of New York to reorganize under Chapter 11 (Case No. 12-13581 (SCC)). The filing of the Petition served to convert the legal status of Broadview Networks to a debtor-in-possession.

As detailed herein, the "prepackaged" bankruptcy filing will allow Broadview Holdings to effectuate the proposed indirect transfer of control while maintaining the current operations of the Parties. While the "Plan of Reorganization" has the overwhelming support of both Broadview Holdings' secured noteholders and its existing stockholders, the filing of a voluntary petition for relief under Chapter 11 was necessary to implement the transaction. Critically, the bankruptcy has been structured to ensure that customers will not be adversely impacted and that all unsecured creditors, including Broadview Holdings' carrier partners, will be fully compensated in the ordinary course of business. The Parties anticipate that Broadview Holdings will emerge from bankruptcy by the end of October 2012.

It is Broadview Networks' understanding that Commission approval is not required to complete the Transaction described herein. Accordingly, Broadview Networks submits this letter for informational purposes only to ensure the continuing accuracy of the Commission's records.

Description of the Transaction

Broadview Holdings plans to exchange outstanding notes for equity in Broadview Holdings upon completion of a “pre-packaged” Chapter 11 bankruptcy proceeding (the “Transaction”), which will result in an indirect transfer of control of Broadview Networks. The overall purpose of the Transaction is to enable Broadview Holdings to de-lever its balance sheet, better position the Broadview companies to compete in the telecommunications and information technology industry, and to provide a solution for the impending maturity of its senior secured notes. To that end, Broadview Holdings has entered into an agreement with a majority of the equity-holders and note-holders for a restructuring of its outstanding obligations, including its \$300 million 11 3/8% senior secured notes due in September 2012. Pursuant to that agreement, the existing note-holders will obtain approximately 97% of Broadview Holdings’ common shares and approximately \$150 million in principal amount of new 10 1/2% senior secured notes. As such, the restructuring will affect a transfer of control of Broadview Holdings and, indirectly, its subsidiaries.

Broadview Networks has obtained agreement to this arrangement from the company’s note-holders who hold more than two-thirds of the aggregate principal amount of outstanding senior secured notes and the equity-holders who hold more than 70% of the existing preferred equity interests. Although a large majority of noteholders and equity holders have already agreed to the terms of the restructuring, in order to complete the transaction, Broadview Holdings has voluntarily filed a “pre-packaged” Chapter 11 bankruptcy proceeding in the U.S. Bankruptcy Court for the Southern District of New

York.² Broadview Networks anticipates that customers and vendors will not be adversely affected by the completion of the Transaction through a “pre-packaged” Chapter 11 bankruptcy proceeding.

The largest of the current owners of Broadview Holdings are Baker Capital (which controls approximately 16.2% of Broadview Holdings’ common stock) and MCG Capital Corporation (which controls approximately 50.9% of Broadview Holdings’ common stock). Following the Transaction, no single entity will control Broadview Holdings or Broadview Networks. Only MSD Credit Opportunity Fund, L.P. is expected to hold an equity interest of 10% or more in Broadview Holdings, and it is not expected that Baker Capital or MCG Capital Corporation will retain a 10% or greater equity interest in Broadview Holdings. No entity will hold voting control over Broadview Holdings. Accordingly, Broadview Networks notifies the Commission of the indirect transfer of control that will result from this Transaction. For the Commission’s convenience, a corporate organizational chart is attached as Exhibit A.

Public Interest Considerations

Broadview Networks submits that the proposed Transaction serves the public interest. As a result of the Transaction, Broadview Holdings and Broadview Networks will substantially reduce their debt load, which will strengthen their financial position. This will enable Broadview Holdings and Broadview Networks to implement their business plans and strengthen their competitive position in South Carolina to the benefit of South Carolina consumers.

Further, the proposed Transaction will be conducted in a manner that will be transparent to Broadview Networks’ customers in South Carolina. The transfer of control of Broadview Networks will not result in a change of carrier for customers or any assignment of authorizations. Broadview Networks also emphasizes that the proposed indirect transfer of control will be seamless and completely transparent to the customers in South Carolina, and in no event will it result in the discontinuance, reduction, loss, or impairment of service to customers.
